Brian's Carpet &
Commercial Flooring Inc.*

Brian's Carpet Lays the Floor Work for Business Growth with QuickBooks Enterprise Solutions

Customer Profile

- Commercial flooring product supplier providing professional installation of quality carpet, wood and tile
- Works with property managers, small and large contractors, and the government
- In business since 2001
- Located in West Palm Beach, Florida
- 10 employees

Choosing Enterprise Solutions

- Using Enterprise Solutions since 2007
- Switched to Enterprise Solutions Contractor Edition to accommodate company growth
- Previously used QuickBooks Premier Contractor Edition
- Selected Enterprise Solutions over other mid-market applications for value, built-in payroll, and ease of use

Implementing Enterprise Solutions

- Local Intuit Solution Provider, Abaca.net test-converted files over a weekend and worked closely with company's hardware technician to ensure a smooth transition

Benefits of Enterprise Solutions

- Will accommodate growth
- Remote access capabilities
- Accountant's Copy allows client to keep working and to update the files with accountant's changes at client's convenience
