

Intuit® QuickBooks® Enterprise Solutions

“We now have fewer shipping mistakes and tighter inventory controls. When our nation-wide podiatrist office customers call, we can find the order easily by searching on the patient’s name.”

Dawn and Robert M. Gaynor, D.P.M., Owners
Dia-Foot

Diabetic Shoe Distributer Finds Sure Footing with QuickBooks Enterprise Solutions

Customer Profile

- Wholesale diabetic shoe company specializing in diabetic and orthopedic shoes and manufacturing of diabetic custom inserts
- In business since 2003
- Located in Lake Worth, Florida
- 18 employees

Choosing Enterprise Solutions

- Using Enterprise Solutions since 2008
- Previously used Biz-Tracker, a POS accounting system
- Switched to Enterprise Solutions to streamline warehouse operations
- Selected Enterprise Solutions over other mid-market applications for value and customizable forms

Implementing Enterprise Solutions

- Local Intuit Solution Provider, Abaca.net test converted files over a weekend and worked closely with company’s hardware technician to ensure a smooth transition

Benefits of Enterprise Solutions

- Will accommodate growth
- Remote Log-in capabilities
- Accountant’s Copy allows client to keep working and to update the files with accountant’s changes at client’s convenience
